Introductio

CoreNova Agency, we provide comprehensive ancillary and logistics solutions tailored to the dynamic needs of India’s mining industry. With a focus on operational efficiency, safety, and innovation, we bridge critical gaps in mining operations — ensuring smooth coordination between logistics, equipment, and field support. Our expertise helps clients achieve seamless production and optimized supply chain performance.

Key drivers

- Complete Ancillary Solutions
- Experienced Industry Experts
- Safe & Reliable Support

Smart Support for Mining Success

CoreNova Agency delivers innovative mining logistics and ancillary services designed to enhance productivity and reliability across India’s mining sector. Our integrated solutions empower clients to operate smarter, reduce downtime, and reach peak performance in every phase of their operations.

Driving Mining Efficiency

CoreNova Agency, we are dedicated to enhancing productivity and performance across India’s mining sector. Through our integrated logistics support and ancillary mining solutions, we help operations run smoother, safer, and more efficiently — from site to shipment.

- Efficiency Through Innovation
- Safety & Reliability First
- Trusted Partner in Mining Success

Your Mining Logistics Partner

- Ensuring timely deliveries to keep mining operations running smoothly.
- Expertise in handling heavy, oversized, and specialized cargo safely.
- Solutions designed to reduce operational downtime and optimize costs.

CoreNova Agency is your trusted partner for comprehensive mining logistics and ancillary support across India. We specialize in streamlining operations, optimizing supply chains, and delivering reliable on-ground assistance so that mining projects run efficiently, safely, and

Strength Behind Every Mine

- Comprehensive Ancillary Services
- Pan-India Operational Reach
- Smart & Integrated Solutions

CoreNova Agency delivers robust mining logistics and ancillary solutions that empower operations across India. From equipment handling to on-site support and streamlined logistics, we provide the backbone that keeps mining projects productive, safe, and efficient.

Mining Made Efficient with CoreNova Agency
